The 1963-1964 track season turned out to be one of the most successful in our high school's history. Several school records were established during the season. In addition to winning the Mid-West Conference championship, the track team also won the Class B division of the Quincy Relay. A highlight of the season was a third place finish out of 49 schools in the district. From this district five boys; Doug Henrick, John Frost, Mike Galloway, Larry Moore, and Rich Stout qualified for the State track meet, the most in the schools history.

Above: A short step toward disarmament was taken with cautious optimism with the signing of the limited nuclear test ban treaty in Moscow. Seated: Sec. of State Dean Rusk, Andrei Gromyko, Lord Home. Premier Khrushchev stands behind Lord Home next to U.N. Secretary General U Thant, Adlai Stevenson and U. S. Congressional leaders. Right photo: Red Chinese-Russian relations worsened during the year as they battled for leadership of world communism. This Moscow meeting between Mikhail Suslov, left, and Teng Hsaio-Peng in August failed to produce accord.

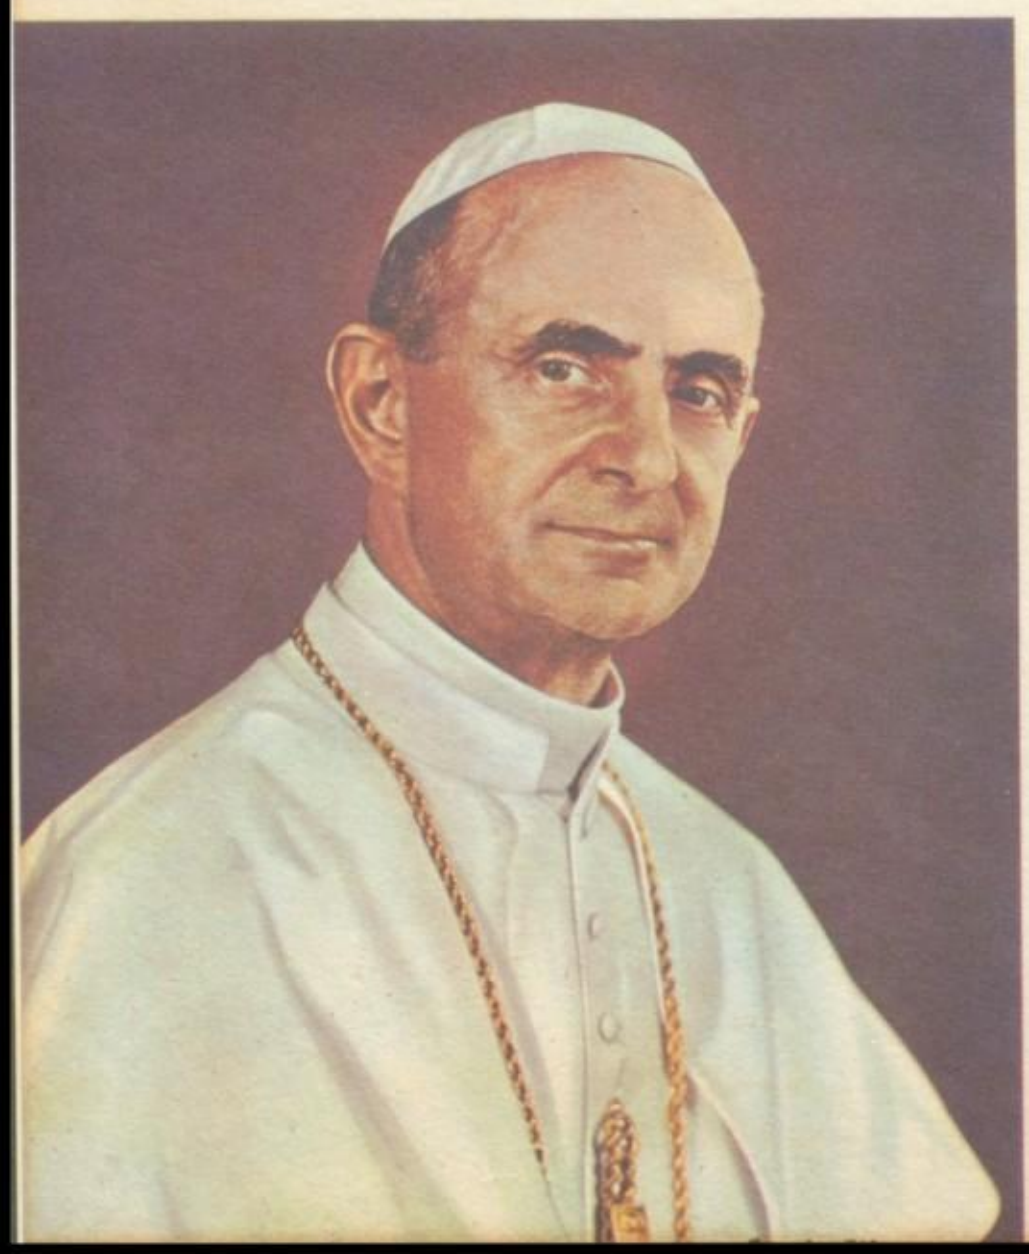
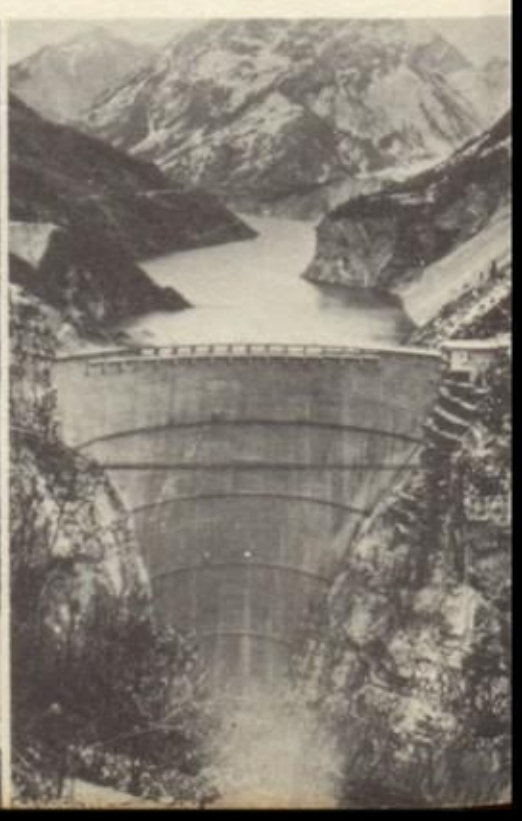
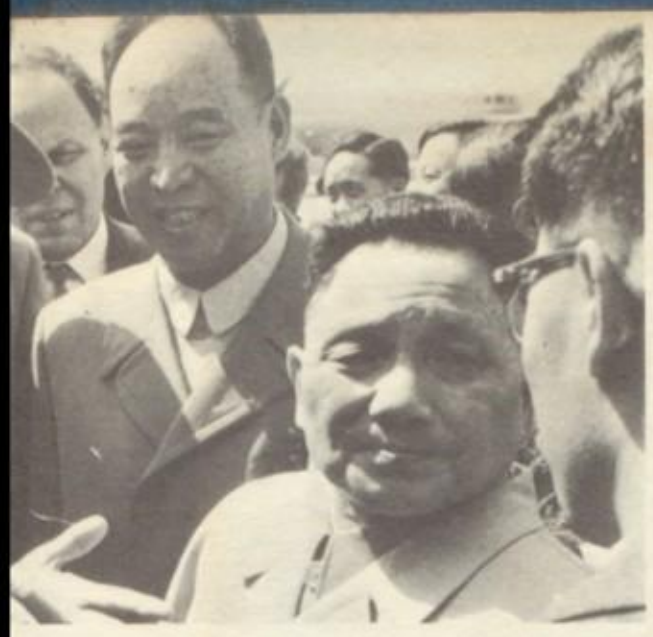
World Events in Review—1963



Pope Paul VI began his reign after the death of Pope John XXIII. Pope Paul reconvened the Ecumenical Council and at year's end planned an unprecedented journey to the Holy Land.

Left, below: Dr. Helge Ingstad, veteran Norwegian explorer found remains of a 9-house Viking settlement in Newfoundland dating 500 years before Columbus. Right: A huge landslide into Vaiont Reservoir in northern Italy sent a wall of water into the valley below destroying Longarone and killing some 3,000 people.





Above: Vietnamese tanks assaulted President Diem's palace during successful November coup which resulted in Diem's death. Meanwhile, (color) U.S. advisers continued working with Vietnamese troops in inconclusive fighting against Communist Viet Cong guerillas supplied from North Viet Nam.

A new island, 1/4 mile long and 130 feet high, was born off southern Iceland from an underwater volcano.

Britain's new prime minister, Sir Alec Douglas-Home, took office in November, after scandals shook Harold Macmillan's government.

East-West tension continued: left; Gen. Chong of North Korea levels a pistol at U.N. spokesmen during discussions of armistice-violating raids at Panmunjom. Right; Russian attempts to control Allied access to Berlin failed in the face of western unity. This American convoy had been delayed 42 hours en route to the city.
